

Parent Volunteer Form

Our musical is primarily a student-driven show, but parents are needed in a variety of roles to make the show a success. We are very happy to have parent help/supervision – no experience necessary! Below we have listed the jobs where we require parent involvement. Please check at least 2 areas where you would like to help and complete the contact sheet below. **We are requiring each family to contribute around 6 hours to our production – this probably equals out to at least two committee signups. We are also requiring at least one parent helper per family be present to help on November 9th as we load into the JCHS Auditorium/Space.** Many thanks for giving your time and talent to this exciting show!
